20. ADDITIONAL INFORMATION

- **Power outlets**

Details of voltage and electrical socket types in Poland can be found at the following link:
<https://www.power-plugs-sockets.com/poland/>

- **SIM cards**

Poland offers several choices when it comes to buying a SIM card, with four main cell networks to choose from: Orange, Play, Plus, and T-Mobile.

There are many ways to buy SIM cards and packages: in supermarkets, street kiosks, gas (petrol) stations, and official company stores. It is mandatory to register with your passport or national ID card when buying a SIM card in Poland, due to an anti-terrorism act that went into effect around July 2016.

You can easily buy top-up vouchers in the same places you bought the SIM card, including street kiosks, stores, petrol stations, or online.
