Important notes

- Overall points for the Jolly Overall Cup will be scored for each category based on the [IWWF Overall tables](#) (page 83). For the U12 category, refer to the table provided in the [E&A implementation](#) (page 7).
- Athletes competing in both the Jolly Overall Cup and the Open Italian Championships will potentially have 5 rounds available over the weekend. Since only 4 rounds per week are allowed for IWWF rankings purposes, these athletes are required to declare in writing to the Chief Judge by 8:30 am on Friday, August 30th, which round they do not want to count towards the rankings. The selected round will count for the competition but will not be homologated for rankings.
- For the Jolly Overall Cup, the best overall score from the two rounds will be used to select 4 female and 4 male skiers for the Sunday overall final and the awarding of the Cup.
