## **THE SITE:**

[Boca Laguna](#), a man-made waterski lake with world-class facilities has been the host of the 2009 IWWF World Under 21 Waterski Championships, 2011 Pan American Games, 2012 IWWF World Over 35 Waterski Championships, 2014 Latin American Championships, 2015 IWWF World Waterski Championships and countless Mexican National waterski events.

The venue is located in Chapala, the biggest natural reservoir in Mexico. It has a length of 1.112 km and a depth of 4 m. Boca Laguna is located about 4.5 km from the town of Chapala just off the Chapala-Mezcala highway, and just 34 km away from Guadalajara's International Airport, and 50 km from downtown Guadalajara. Chapala and Ajijic are twin towns located on Chapala's shore and are home to one of the largest expat communities in Mexico. This has created a number of boutique hotels, great restaurants and bars, all in a safe atmosphere for international visitors.

## **IWWF LICENSE**

Following an agreement by the IWWF World Congress held in 2019, the IWWF Executive Board approved the establishment of an IWWF License fee from 2021 where athletes wishing to compete in Ranking List / 1 to 6 Star competitions (including IWWF World titled events) in each Sports Division of the IWWF are required to hold an IWWF License. It is requested that Federations ensure that all their athletes hold a valid [IWWF License](#) in order to participate in the 2023 IWWF World Under 21 Waterski Championships.

## **ENTRY & ADMINISTRATION:**

Each Federation must register the list of skiers it wishes to enter through the [IWWF Event Management System \(EMS\)](#) not later than 60 days before the scheduled start of the first competition day of the [2023 IWWF World Under 21 Championships](#). Any Federation not meeting this requirement will not be allowed to compete until they have paid a fine of US\$200 to the IWWF. This does not include those skiers who may additionally qualify through the Weekly Ranking List or Pro Ranking. An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received. The entry fee payment must follow the process described in the Competition Bulletins. As far as possible the events that each skier will participate in, including their chosen ramp ratio, will be completed in EMS.

Official reserves should also be listed. There is no limit on the number of official reserves for each team and no entry fee is required for these skiers.

**Any skier entered as a Wild Card or Individual is also to be considered as a TEAM reserve.**

Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF of US\$10 per skier per day after the 60 days deadline, for each skier not officially registered.

After the 60 days deadline a Federation may enter up to two more athletes than originally entered with no penalty, and for which the full entry fee is required as stated above. If more than two additional athletes are added after the 60 days deadline a fine of US\$50 per additional athlete will be applied.

Any name changes or events entered may be changed without penalty up to the 30 days before the scheduled start of the first competition day of the IWWF World Championships.

The deadline for each Federation to declare, through EMS, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves is 30 days before the scheduled start of the first event of the World Championships. Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the

IWWF Representative at the Championships, of US\$10 per skier per day after the 30 days deadline for each skier not officially entered.

1. The deadline to enter skiers who qualify under the Weekly Ranking List is 30 days before the championships.

2. The deadline to enter skiers who qualify under the Pro Ranking is 15 days before the championships.

If a skier is not registered on EMS prior to the 48 hours before the start of the first event, the Federation's skier's places in the draw shall be determined by the Chief Judge without reference to their qualifying scores.

2 days before the start of the first event the entry lists shall be closed at noon (12:00) and thereafter the order of competitors entered and paid will be finalised and posted.

The Entry Fee for the event will be **US\$360.00 per participant**, the payment must be made by **15 April 2023**. This Entry Fee includes a levy of US\$30.00 to assist Technical Officials with their travel costs. Payment must be made by bank transfer, to the following account:

Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarisation time.
