5. ENTRY AND ADMINISTRATION (E&A Rule 14:12)

Each Federation shall certify to the Chairman of the E&A Waterski Council and to the organising committee, not later than **60 days before** the scheduled start of the first event of the E&A Championships, its intent to compete **using the procedure described in the Competition Bulletin**.

Link: <http://www.iwsftournament.com/WorldAdmin/>

Any Federation not meeting this requirement will not be allowed to compete until they pay a fine of €200 to the IWWF.

To be accepted, the “Intention to Enter” must be accompanied by a deposit amounting to €50 for each athlete entered on the form. (For instance: 3 athletes: 3x€50 = €150). **This payment must follow the process described in the Competition Bulletin.**

Each €50 will be deducted from the entry fee to be paid later for each athlete. If a Federation subsequently enters less athletes than declared on the ITE the fee of €50 paid at that time is forfeited for each missing athlete. The payment must follow the process described in the Competition Bulletins.

Any Federation may enter up to two more athletes than originally declared on the “Intention to Enter” form with no penalty, and for which the full entry fee is required. If more than two additional athletes participate, then a levy of €50 per additional athlete will be payable in addition to the full entry fee.

This does not include those skiers who may additionally qualify through the Weekly Ranking List or Pro Ranking if applicable.

Official Entry

The deadline for each Federation to declare, **through EMS**, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves is **15 days before** the scheduled start of the first event of the E&A Championships.

An entry is considered complete when the Skier’s name is registered in EMS and the full Entry Fee Payment has been received. **The entry fee payment must follow the process described in the Competition Bulletin.**

Any skier entered as a Wild Card or Individual is also to be considered as a TEAM reserve.

Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF Representative at the Championships, of €10 per skier per day after the **15 days deadline** for each skier not officially entered.

If a skier is not registered on EMS prior to the 48 hours before the start of the first event, the Federation's skier's places in the draw shall be determined by the Chief Judge without reference to their qualifying scores.

2 days before the start of the first event the entry lists shall be closed at noon (12:00) and thereafter the order of competitors entered and paid will be finalised and posted.

The Scorer in consultation with the Chief Judge should post Preliminary Running Orders 7 days preceding the start of events with the orders clearly marked as "Preliminary and subject to change". No change in this order is allowed after noon of the 2 days preceding the start of events except that a team representative may:

- 2) Withdraw a skier from the competition.
- 3) Replace an injured skier with a qualified official reserve from the same team with the authority of the Chief Judge and before the start of the first event, that is, before the first skier taking part in the first event has started,
- 4) The substitute skier shall start first in the series in which he is qualified unless the draw has not yet been completed.

Team or individual athletes not showing up: In the event a team or individual athletes (for whom their Federation has submitted a competition entry), fail to show up for a competition their entry fee shall still be payable in full, unless a valid written excuse is received by 12 noon of 2 days the day before the start of the competition.

A valid excuse may include a sickness certificate or a certificated injury and should be considered and agreed as valid by the IWWF Representative at the Championships.

|---------------------------|--|-----------------------|
| 60 days before | Deadline for submitting the ITE | 13-07-2023 |

Time will be scheduled for competitors on a random team basis, and shall be grouped by event. Slalom familiarisation, Trick familiarisation and Jump familiarisation (by jump height) will be grouped together. Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarisation time.
