Corona restrictions

The planning and preparation of the competition "International German open 2020" takes place under consideration of the regulations and restrictions by the state government of Mecklenburg-Western Pomerania (Ordinance of the State Government of Mecklenburg-Western Pomerania on Permanent Protection against the Novel Corona Virus in Mecklenburg-Western Pomerania (Corona-LVO MV) of 8 May 2020; last amended by Ordinance of 3 June 2020), which are valid at the time of publication of the invitation to tender. These currently authorize smaller open-air events with up to 150 participants. We as organizers must ensure that.

1. the required minimum distance of 1.5 meters between persons, except between members of a household, is ensured throughout.
2. there is a seat for each participant,
3. the increased hygiene requirements are observed and
4. all participants are strongly recommended to wear a mouth-nose cover (e.g. everyday mask, scarf, cloth).

This will most likely result in restrictions in the course of events, e.g. at the opening, the runners' meeting, the start, the award ceremony and freedom of movement on the competition site as well as in the supply. We will announce these restrictions shortly before the event on our homepage and our social media channels.

We reserve the right to make changes to the organization modalities due to changing legal restrictions.
