4. OFFICIAL TOW BOAT

The event will be towed by a [2022 Centurion Ri230](#). With as much as 5400 pounds of ballast available, the incredible wakeboard wake of the new 23-foot Centurion Ri230 has become a bigger topic of conversation because it is being generated by the smallest of the Ri Series Centurions. The Ri230 is attacking all areas of innovation simultaneously with a deeper, thoughtfully refined, more aggressively styled and better performing 23-foot wake surf and wakeboard boat. The World's best waves, wakes and ride have gotten even better with the evolved running surface of the Ri230's Opti-V Hull. With 20 degrees of dead-rise at the transom the Opti-V Hull displaces more water with less weight while preserving a great rough-water ride and creating killer wakes. Centurion engineers have added a number of lake life-improving refinements to the Ri230 for as many as 14 people. The 2022 Centurion Ri230 includes Centurion's Remote Engagement Continuous Optimization Network (RECON) telematics by Osmosis, Lay-flat Sun Pad Lounge Seats, Revo 12-inch by 12-inch side by side touch screens, the all new available RAMFILL2or as well call it the "Baller" ballast system, the available Range of View (ROV) bow to stern camera system with live fuel usage data, and the available Centurion Shift Thruster System by CMI.

6. EVENT VENUE

Borgo San Pietro, Lago del Salto, Rieti -Italy

Lago del Salto is a hydro-electric basin built in the early years of the last century, able to guarantee a water reserve and an electricity production capable to satisfy the needs of the resident population between Rieti and Rome.

Today, as host to [CNVS WAVE](#) and its boats, it represents one of the most beautiful and technical Italian spots to practice wakeboarding.

It is not a coincidence that Lago del Salto - Borgo San Pietro, has already been selected as the venue for prestigious national competitions from 1998 until today, as well as the venue for the IWWF European Wakeboard Championships both in 2014 and 2018.

Please... come, visit and ride. Don't miss this incredible experience, in a fantastic place also rich for its history and amazing food.

7. WEATHER

In central Italy, the month of July is very hot with a daily temperature up to 30° and average low temperature of 20°.

8. LOCAL CURRENCY

The local currency is Euro. Visa, American Express and MasterCard are accepted in almost all hotels, shops and restaurants.

9. VISAS

For details about the need for Visa to travel to Italy you can check information on the Italian Government website: http://www.esteri.it/visti/index_eng.asp

10. HOW TO GET THERE

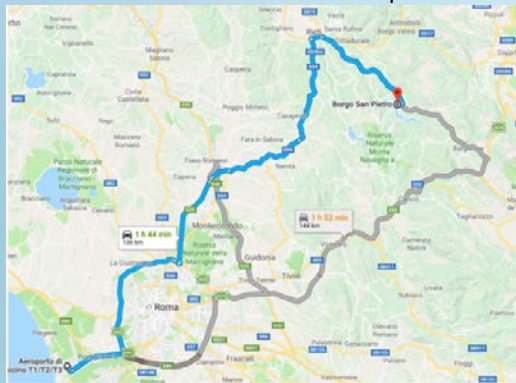

To travel to Rieti and Lago del Salto, you have to fly to [Rome Fiumicino \(FCO\) Airport](#) or to [Rome Ciampino \(CIA\) Airport](#). Teams, individual athletes, parents and friends will need to organize their own transport as the organizer will not provide transportation from and to the airport, as well as between the hotels and the competition site.

Therefore, the easiest and best solution is to hire a car/van. At both airports you can find at all the main rental car agencies, like Avis, Hertz, Europcar or Sixt. Please check the following links for each airport:
