5. ENTRY AND ADMINISTRATION (Rule 14:12)

Intention to Enter (ITE)

Each Federation shall certify to the Chairman of the E&A Waterski Council and to the organizing committee, not later than 60 days before the scheduled start of the first event of the European & Africa Championships, its intent to compete using this link:

<http://www.iwsftournament.com/WorldAdmin/>.

Any Federation not meeting this requirement will not be allowed to compete until they pay a fine of €200 to the IWWF.

To be accepted, the “Intention to Enter” must be accompanied by a deposit amounting to €50 for each athlete entered on the form. (For instance: 3 athletes: 3x€50 = €150). This payment must follow the process described below.

Each €50 will be deducted from the entry fee to be paid later for each athlete. If a Federation sub-sequently enters less athletes than declared on the ITE, the fee of €50 paid at that time is forfeited for each missing athlete. The payment must follow the process described in this Bulletin.

Any Federation may enter up to two more athletes than originally declared on the “Intention to Enter” form with no penalty, and for which the full entry fee is required. If more than two additional athletes participate, then a levy of €50 per additional athlete will be payable in addition to the full entry fee.

This does not include those skiers who may additionally qualify through the Weekly Ranking List or Pro Ranking if applicable.

Payments must be made to:

The deadline for each Federation to declare, through EMS, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves is 15 days before the scheduled start of the first event of the European Championships.

An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received. The entry fee payment must follow the process described below.

Any skier entered as a Wild Card or Individual is also to be considered as a TEAM reserve.

The 60 days deadline does not include those skiers who may additionally qualify through the Weekly or the Pro Ranking, if applicable, for those skiers the following deadline apply:

- 1) The deadline to enter skiers who qualify under the Weekly Ranking is 15 days before the championships.
- 2) The deadline to enter skiers who qualify under the Pro Ranking is 15 days before the championships.

Any Federation not meeting this requirement will not be allowed to compete until the Federation pays a fine to the IWWF Representative at the Championships, of €10 per skier per day after the 60 days deadline for each skier not officially entered.

If a skier is not registered on EMS prior to the 48 hours before the start of the first event, the Federation's skier's places in the draw shall be determined by the Chief Judge without reference to their qualifying scores.

2 days before the start of the first event the entry lists shall be closed at noon (12:00) and thereafter the order of competitors entered and paid will be finalized and posted.

The Scorer in consultation with the Chief Judge should post Preliminary Running Orders 7 days preceding the start of events with the orders clearly marked as "Preliminary and subject to change". No change in this order is allowed after noon of the 2 days preceding the start of events except that a team representative may:

- 1) Withdraw a skier from the competition.

If a Federation does not want to take part in the Official Familiarisation, it must notify the Organisers and the Chief Judge as soon as possible. Time will be scheduled for competitors on a random team basis, and shall be grouped by event. Slalom familiarisation, Trick familiarisation and Jump familiarisation (by jump height) will be grouped together. Any athlete whose time has not been paid for at least 30 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarisation time.
