Dear Barefoot friends,

We are very happy to inform you that Waterski club Nautica Brielle will be hosting the open Combined Barefoot Nationals 2021.

On behalf of the Dutch federation we invite all barefooters to join us for the combined German, Belgium and Dutch (open) nationals on August 13 / 14 /15 at the 'Spuikanaal' Lake Brielle. A much appreciated venue for barefoot competitions. On August 12 familiarization will be possible.

Despite the uncertainty of Covid19 restrictions, we have good faith that this event can take place without limitations and we can meet and ski together like before.

Waterskiclub Nautica (<http://wsv-nautica.net>) is welcoming all skiers and company to set-up their camper, tent or caravan at the clubsite, 10 minutes drive from the competition venue. We expect the restaurant / bar to be fully opened in August.

There are no overnight camper and/or camping facilities at the competition site. Alternatively you can stay at nearby hotels:

- Hotel het Wapen van Marion (<https://www.wapenvanmarion.nl/en/>)
- Beach hotel Oostvoorne (<https://www.beachhotelootvoorne.nl/en/>)

We appreciate that all skiers to register as soon as possible through the EMS system, but no later than July 15. For late entry (after July 15th) a € 25 surcharge will apply.
