COMBINED BRITISH WATERSKI NATIONAL CHAMPIONSHIPS

We are proud to have been selected to host the Championships again this year. It's going to be a mammoth task, but this announcement is a huge boost to our plans to raise the profile of water-skiing in the UK.

We look forward to welcoming back those that took part in the event last year and extend a warm welcome for those that are visiting us for the first time.

The Site

Oxford Wakeboard & Ski Club (OWSC) is a former gravel pit which had causeways added at a later date to give us two Slalom lakes and multiple options of where we can situate the ramp.

The general layout of the site is below, and we ask you to respect our wishes not to have cars anywhere else but the car park. With the inclusion of the adaptive categories again this year, there will be some reserved parking.

We are sign posted off the main road and outside the gate. The postcode does bring you straight to the gate and the full address is: -

Numbers in Finals

16.4 NUMBERS IN FINALS

In all National championships, except where other specific rules are quoted, where a final round is included, the number going through to the final of an event is based on the number of skiers on the start list at Midday the day before the Competition

No. of skiers starting in the Preliminary round within an age category & Number in Finals

1 - 5	All
6 - 10	First 5
11 - 12	First 6
13 - 15	First 8
16 - 19	First 10
20 or more	First 12

To qualify for the Final Round a skier must ski and score more than zero in the Preliminary Round.

Note: see exceptions for Under 10, Under 12s under British Youth Championships and for 35+ under British 35+ Championships

Any skier qualifying for the finals and subsequently unable to take part will not be replaced by the next placed skier.

Please Note: Due to the high numbers of entries there will be no B Finals for 35+ Skiers.

Skiers Entering Age Category and Open Championships

Slalom – There will be only one preliminary round to determine the finalists for both Age Category and Open Events. The exception to this is for skiers who shorten at a different speed in their Age Category. They will ski in both Preliminary rounds.

Tricks and Jump - There will be only one preliminary round to determine the finalists for both Age Category and Open Events.

ENTRY FEES

Entry Fees remain unchanged at £50 per event and a £7.50 supplement if you enter your age cat and Open division
