22 December 2021

Hi everyone,

Canterbury is preparing to host Nationals at Lake Crichton in March 2022. Competition will start Tuesday lunchtime (22nd March) and finish Saturday 26th with Prizegiving at the Dunsandel Community Centre on Saturday night.

Some Trick will be run on Lake 2 behind a second Nautique, enabling us to shorten Nationals by one day.

Familiarisation will be run as usual on Monday and on Tuesday morning. This will be optional and at a separate cost to entry fees. Prices have not been finalised as yet.

There is plenty of room at Lake Crichton for camping and caravans (non- powered). There are a limited number of bunk rooms available. Enquiries about these and camping in general to Chris Wright ph 0272224480.

We will have a marquee and on-site breakfast, lunch and dinners.

Canterbury Regionals is on the weekend of 19/20 March with NZ Nautique tow boat. This will be open to skiers outside of Canterbury but numbers will be restricted. Skiers bringing a First Class Judge will be prioritised.

Canterbury is following NZ guidelines and all sanctioned tournaments will be run with a vaccine mandate.

Merry Christmas everyone, more information, including entry fees coming out after New Year.

Bronwyn Munro
Nationals Events Co-ordinator

Koa Brown
