LAKE GRAPPA - KAKAMAS – SOUTH AFRICA

INTRODUCTION

This is the first information bulletin for the 2024 All Africa Water Ski Championships.

Due to a severe drought and low water levels, Namibia cannot host the All-Africa Championships in Namibia but have been fortunate enough to be offered a site to host the championship in South Africa at Lake Grappa.

We will be hosting the All-Africa Championship Tournament consisting of four rounds in each ski event on 22nd – 24th March 2024

There will be an official ski clinic/practice session on 21st March 2024

IWWF Africa Confederation has decided that all previous outstanding fees be waived for the Associated and Past Members of the Confederation. Further to ease the financial burden, fees for 2024/2025 will be waived. Your federation will shortly receive the normal annual invoice reflecting this situation for your records. IWWF AFCON encourages you to participate in the sport of water-ski at this African event. For more information on your membership, please mail Howard Ramsden the secretary General of AFCON at howard@recca.co.za
