August 26-27

## SLALOM

## JUMP

## TRICKS

The IWWC announces the VIENNA OPEN 2023 on August 26<sup>th</sup> and 27<sup>th</sup> on our site in Raasdorf – just about 30 minutes from downtown Vienna.

This **Standings-List homologated 3-event** competition strives to offer the best conditions for dedicated waterskiers of all ages – but we grant kids from Austria the priority for participation. So please feel free to register to the Vienna Open in the EMS (Event Management System of the IWWF) - your name will automatically be put on the Waiting List and we will contact you to let you know your chances of confirmation.

Each day of this competition will also represent one round of the Austrian Youth Cup 2023. The performances of Austrian skiers up to the age of 21 will count towards their ranking in the Austrian Youth Cup.

For those skiers who do not participate in all 3 disciplines on one day we additionally offer another round of Slalom on that day (a fourth round per day and skier will not be accepted). For the youth skiers the result of that second round of slalom will NOT count towards the Austrian Youth Cup. Participants must declare if they wish to have a second round of slalom per day.
