BULLETIN 2

IMPORTANT NOTICE

Dear All,

After receiving and discussing with IWWF the feedback received from participants, it has become evident that there is significant concern regarding the inclusion of the Final Party in the entry fee. Many individuals expressed discomfort with paying for an event they may not attend and which increases the Entry Fee significantly, leading to a consensus that the entry fee structure should be revised and we should go back to the original bid.

As a result the entry fee for the 2024 BOTASKI IWWF +35 World Championships will be reduced from €400,00 to €350,00 and the Final Party will no longer be included in the entry fee but will be sold separately to those who wish to attend. This adjustment aims to ensure fairness and flexibility for all participants, allowing individuals to choose whether they want to partake in the Final Party.

The Bulletins will provide detailed information about the revised entry fee structure and the separate sale of Final Party tickets. We are committed to ensuring clear communication and transparency throughout this process to minimize any confusion or inconvenience for participants.

Thank you for your understanding and cooperation in implementing these adjustments. We believe that this revised approach will better accommodate the preferences and needs of our participants while maintaining the integrity and spirit of the 2024 IWWF +35 World Championships.

Thank you

Ricardo Botas

4. THE CHAMPIONSHIPS LOGO

IWWF +35 WORLD WATERSKI CHAMPIONSHIPS

BOTASKI 2024

Seseña, Toledo, Castilla La Mancha, Spain

The logo for the 2024 IWWF +35 World Waterski Championships in Botaski carries a rich and meaningful design that reflects both the heritage of the IWWF event and the significance of the location.

The incorporation of the pictograms used in the inaugural event at Botaski, is a homage to the heritage and legacy of the event. This choice resonates with the history associated with the earlier edition, creating a sense of unity and shared history among IWWF, participants and fans.

Changing the order of the words in the title from "IWWF World +35 Waterski Championships" to "IWWF +35 World Waterski Championships" emphasizes the global nature of the competition. Placing "World" and "Waterski Championships" together underscores the event's international significance and reinforces its position as a premier global competition in the world of waterskiing.

The inclusion of "Botaski 2024" to the logo is crucial as it acknowledges the title and naming sponsor of the event. Including the sponsor's name prominently in the logo recognizes their support and contribution to the Championships. This helps in building a strong partnership between the event, the IWWF and Botaski, creating a sense of pride for the sponsor. It also serves as a form of brand visibility, associating the IWWF World Championships directly with the supporting brand.

IWWF +35 WORLD WATERSKI CHAMPIONSHIPS

BOTASKI 2024
Seseña, Toledo, Castilla La Mancha, Spain

The inclusion of "Botaski" ties the event to its location, reinforcing the connection between the IWWF and the hosting sponsor. This not only adds a local flavor to the global event but also contributes to the regional identity of the competition. It becomes a celebration not just of waterskiing excellence but also of the community and region hosting the Championships.

In summary, the logo for the 2024 IWWF +35 World Waterski Championships in Botaski is a thoughtful blend of tradition, IWWF global representation, sponsorship acknowledgment, and regional identity. It successfully communicates the rich history of the event, its global stature, and the collaborative partnership between IWWF and its titled and naming sponsor.

6. IWWF LICENCE

IWWF Waterski Rules 2023 – Rule 1.10

Athletes wishing to compete in 2024 IWWF World Over 35 Waterski Championships are required to hold an IWWF License. It is requested that Federations ensure that all their athletes hold a valid IWWF License.

7. ENTRY AND ADMINISTRATION

IWWF Waterski Rules 2023 – Rule 14.12

Intention to Enter (ITE)

Each Federation shall certify to the Chairman of the World Waterski Council and to the organizing committee, not later than 90 days before the scheduled start of the first event of the World Championships, its intent to compete using this link:

<http://www.iwsftournament.com/WorldAdmin/>.

Any Federation not meeting this requirement will not be allowed to compete until they pay a fine of US\$200 to the IWWF.

To be accepted, the “Intention to Enter” must be accompanied by a deposit amounting to US\$50 for each athlete entered on the form. (For instance: 3 athletes: 3xUS\$50 = US\$150). This payment must follow the process described below.

Each US\$50 will be deducted from the entry fee to be paid later for each athlete. If a Federation sub-sequently enters less athletes than declared on the ITE, the fee of US\$50 paid at that time is forfeited for each missing athlete. The payment must follow the process described in this Bulletin.

Any Federation may enter up to two more athletes than originally declared on the “Intention to Enter” form with no penalty, and for which the full entry fee is required. If more than two additional athletes participate, then a levy of US\$50 per additional athlete will be payable in addition to the full entry fee.

This does not include those skiers who may additionally qualify through the Weekly Ranking List or Pro Ranking if applicable.

Payments must be made to:

Name:	NASA SPORTS, SL
Bank:	BANCO CAMINOS

Official Entry And Entry Fee

The Entry Fee for the 2024 IWWF World Over 35 Waterski Championships is **€350,00 per competitor** regardless of discipline. **€30.00 per skier** will be deducted to assist technical officials with their travel costs.

The deadline for each Federation to declare, through EMS, the names of the members of its team, the events each will enter, the ratings of each skier, as well as the names of the official reserves is 60 days before the scheduled start of the first event of the World Championships.

An entry is considered complete when the Skier's name is registered in EMS and the full Entry Fee Payment has been received. The entry fee payment must follow the process described below.
