## How to publish results on the IWWF "Lion" Scoring System?

Possibility 1: with "save as scorebook..."

The image shows two screenshots from the Watersk software. The top screenshot is the 'File' menu, where 'Save as scorebook...' is highlighted with a red box. The bottom screenshot is the 'Save to scorebook format' dialog box, which contains the following information:

**Please, check that the competition parameters are correct. \*** Mandatory fields

Competition name :  \*

Competition code :  \* (code given by your federation for Ranking list purpose )

Venue (place) :

Beginning date :  \* End date :  \*

Buttons: Close, **Save scorebook...**, Save & mail..., Publish online...

**Check the official classifications (to be used for IWWF Elite and "who beats who" Ranking lists)**

**Possibility 2: with "Publish E&A dossier", where you can also publish results in pdf and/or html format.**

The image shows a screenshot of the Waterski Scoring 2020.05a software interface. The top window is titled "19FRA103\_original.wsk - Waterski Scoring 2020.05a Wakeboard - Championnats de France". The "Publish" menu is open, with "Publish E&A competition dossier..." highlighted in blue and enclosed in a red box. Below this, the "Publish competition dossier online" dialog box is displayed. The dialog has a blue header with the "E&A" logo and the text "Publish the E&A competition dossier to www.iwwfed-ea.org. Please choose the files you would like to publish." The dialog contains several options for publishing files, each with a checkbox and a "Make file..." button. The "Publish WST scorebook file" option is highlighted with a red box. The "Published by" field is filled with "Elion". The "Publish dossier" button is also highlighted with a red box. The "Remember password on this computer" checkbox is checked, and the "Show password" button is visible.
